

SFUSD SAN FRANCISCO
PUBLIC SCHOOLS

Dear Students and Families,

The **San Francisco Unified School District** in collaboration with the **San Francisco Alliance of Black School Educators** will host the 3rd Annual Historically Black College and University (HBCU) Fair on **Monday, September 12, 2016 at Mission High School from 4:00-8:00pm.**

Official representatives from 30 - 45 of the country's leading Historically Black Colleges and Universities (HBCUs) will be recruiting college-bound students on-site during the event. Interested high school students will have the opportunity to receive preliminary "on-the-spot" admissions, scholarships, financial aid information and face-to-face exposure with many of the most respected historically black institutions of higher learning within the United States. Our college fair event is free and open to all students of the San Francisco Unified School District.

Students who wish to apply and qualify for "on-the-spot" admissions and scholarships should bring an official transcript, if available, and a copy of their ACT/SAT test scores, if taken, for each college application they plan to complete. In addition, uAspire – an organization dedicated to helping families afford college – will share information on developing affordable financial aid packages. All high school students and their parents will benefit from this annual college planning event and opportunity.

We hope to see you on Monday, September 12, 2016 at Mission High School for the 3rd Annual HBCU Fair. For any questions or requests for information, please contact the African American Postsecondary Pathway Program Manager, Linda Jordan (jordanl@sfusd.edu) or call [415-241-6240 X 3315](tel:415-241-6240) (Office) or [510-798-8293](tel:510-798-8293) (Cell).
